Second generation Transit Connect gearbox added to Ivor Searle's remanufactured range

Six-speed unit for 1.6-litre Duratorq diesel derivatives of Transit and Tourneo

Mike Ruff, GW editor January 13, 2022 Comments Closed 0 likes

UK-based remanufacturer Ivor Searle has added the manual gearbox for the second generation Ford Transit Connect compact panel van to its all-makes range of transmissions for cars and LCVs.

The six-speed unit covers the best-selling 1.6-litre Duratorq diesel derivatives of both Transit and Tourneo versions of the Connect built by Ford in Valencia, Spain, from 2013 – 2016.

Ivor Searle's remanufactured gearbox programme covers around 90 per cent of the UK's vehicle parc and cost up to 40 per cent less than OE.

For peace of mind, all Ivor Searle gearboxes are covered by a 12-month unlimited mileage parts and labour warranty.

Ivor Searle also offers free next day UK mainland delivery for stock items ordered before 3.30pm.

To find out more call the Ivor Searle sales team on 01353 720531 or click 'more details' below.
