Turbochargers for MINI and Mitsubishi, along with gearboxes for Audi, Skoda and VW have been added to Ivor Searle's extensive remanufactured product range.

Ivor Searle is constantly adding to its range of engines, gearboxes and turbos for cars and LCVs which covers over 90 per cent of the UK's vehicle parc.

Costing up to 40 per cent less than OE, the newly-added turbo applications include units for the MINI

1.6 N47 diesel and the Mitsubishi 2.5 diesel powering the L200 pickup.

Latest gearbox additions include a number of Volkswagen Group applications for 1.6 petrol and diesel versions of the Audi A3, Skoda Octavia and VW Golf.

For peace of mind, all Ivor Searle gearboxes are covered by a 12-month unlimited mileage parts and labour warranty, while a two-year warranty covers all turbochargers. Ivor Searle also offers free next day UK mainland delivery for stock items ordered before 3.30pm.
