Remanufacturer Ivor Searle has added the manual transmission for the best-selling Ford Fiesta to its extensive all-makes range of gearboxes for cars and LCVs.

The five-speed Getrag unit covers the popular 1.1 litre Duratec petrol derivatives of the popular supermini equipped with Stop/Start systems built from 2017 – 2018.

Ivor Searle's remanufactured gearbox programme covers around 90 per cent of the UK's vehicle parc and cost up to 40 per cent less than OE.

For peace of mind, all Ivor Searle gearboxes are covered by a 12-month unlimited mileage parts and labour warranty. Ivor Searle also offers free next day UK mainland delivery for stock items ordered before 3.30pm.
