## Ivor Searle adds Ford Fiesta, Focus and C-Max applications to gearbox range

### New boxes added to range for 1L petrol EcoBoost and 1.6L diesel DuraTorq

Remanufacturer, Ivor Searle has added manual transmissions for the popular Ford Fiesta, Focus and C-Max to its extensive all-makes range of gearboxes for cars and LCVs.

The newly-added applications include units for 1.0 litre petrol EcoBoost derivatives of the Fiesta and Focus, as well as 1.6 litre diesel DuraTorq powered versions of the Focus and C-Max.

Ivor Searle's remanufactured gearbox programme covers around 90 per cent of the UK's vehicle parc and cost up to 40 per cent less than OE.

For peace of mind, all Ivor Searle gearboxes are covered by a 12-month unlimited mileage parts and labour warranty.

In addition, Ivor Searle holds comprehensive stocks to ensure first class customer service and minimum vehicle downtime and provides free next day UK mainland delivery for stock items ordered before 3.30pm.
