

Remanufactured major units from Ivor Searle

Ivor Searle is a leading UK producer of quality remanufactured automotive major units, offering an all makes programme of petrol and diesel engines, cylinder heads, gearboxes and turbos for cars and LCVs.

Costing up to 40% less than OE, the product range covers over 90% of the UK's vehicle parc. The company also offers a customer own unit engine remanufacturing service for virtually any car or LCV application.

All Ivor Searle engines, cylinder heads, gearboxes are covered by a 12-month unlimited mileage parts and labour warranty, while a two-year warranty covers all turbochargers.

The remanufacturer holds comprehensive stocks across all product lines. Free next day UK mainland delivery is offered for stock items ordered before 3.30pm. To find out more, contact our sales team – see details below.
